Throughout the years, East Union High School has had a reputation for having excellent graduation ceremonies. In general, the behavior of our seniors at the ceremony indicates that they respect themselves, their parents, and the school. **We believe that the ceremony will have dignity so that each of us can remember it with pride when we celebrate after!** Your signature at the bottom of this page indicates that you understand the following standards of conduct for the graduation ceremony.

1. The ceremony is not a celebration and is to be conducted in a dignified manner and I will conduct myself properly. 2. My participation in the ceremony is a privilege and not a right. 3. I am not to alter the cap and/or gown in any way unless I have prior approval. 4. I will dress in good taste, and will wear dress shoes or nice shoes suitable to walk on grass. 5. I will not bring any noisemakers, balloons, or other items that might detract from or disrupt the ceremony in any way.	6. I will not use any drugs or alcohol prior to or during the ceremony. Such use will disqualify me from participation. 7. Leis and sunglasses cannot be worn by graduates. 9. I will clear all obligations such as detention, bill and fines, etc. prior to the deadline and attend graduation practice to be *eligible* to participate in ceremony.

Seniors are encouraged to decorate their cap as a way of expressing their themselves. Seniors wishing to decorate graduation caps must follow the school process and meet the set deadlines. The caps will be decorated to thank a family member, teacher, friend, to recognize the post-secondary plans, graduation year, high school activities, or recognize the senior's culture, heritage, identity, religion, etc.
