

OUR CLASSROOM newsletter

APRIL 2025

First Grade

UPCOMING EVENTS:

- Spring Break March 31- April 4
- Be on the lookout for information about our upcoming Project Based Learning showcase in early May!

OUR LEARNING SNAPSHOT:

READING:

Students will be finishing our unit on Technology. We will continue reading and comparing texts about inventors and their inventions to understand how technology works. Then we will be reading and comparing texts about characters that make poor decisions in order to understand how we can learn from our mistakes.

MATH:

Students will develop fluency with addition and subtraction facts to 10 and strategies for working with facts to 20. Students will be using the number rack to model and solve number combinations and story problems of all types.

SOCIAL STUDIES:

Students will be learning about landforms and landmarks. We will be comparing natural and human made structures and begin building structures of our own.
