

REYNOLDSBURG CITY SCHOOLS

Empowering leaders who impact the NOW and innovate the FUTURE

Dear Parent or Guardian,

You have the right to know about the teaching qualifications of your child's classroom teacher in a school receiving Title I funds. The federal Every Student Succeeds Act (ESSA) requires that any school district receiving Title I funds must notify parents of each student attending any school receiving Title I funds that they may request, and the district will provide the parents on request (and in a timely manner), information regarding the professional qualifications of the student's classroom teachers, including at a minimum, the following:

1. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
3. Whether the teacher is teaching in the field of discipline of the certification of the teacher;
4. Whether your child is provided services by paraprofessionals and, if so, their qualifications.

In addition, parents of participating children will be provided:

1. Information on the level of achievement of their child(ren) on the required State academic assessments; and
2. Timely notice that the parent's child has been assigned, or has been taught for four or more consecutive weeks by, a teacher who does not meet applicable State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.

Currently all elementary schools in Reynoldsburg City Schools have schoolwide Title I programs.

You may ask for this information by emailing RCS HR at brittany.griffin@reyn.org.

Sincerely,

Building Principal
