

A NOTE FROM THE PRINCIPAL

APRIL 2025

Things To Know

MSTEP Testing Time!

MSTEP testing begins this month and continues throughout the month of April for grades 3-5. Please make sure students get adequate sleep and are well rested and ready to rock the test!

Sickness

There have been some nasty viruses going through the school. We are sanitizing the classrooms regularly. Please make sure to keep your child home if they have a fever, have diarrhea or are throwing up. Please remember that your child should be symptom free for 24 hours without the administration of symptom reducing medication.

Absences

Please remember to call and excuse your child if they are absent. Excusal notes from medical providers can be given to the child's teacher.

Dates to Remember

Student Savings Program Every Tuesday Morning

Bro-lympics - April 12th 11am-1pm

No School - April 18th

FFI- April 22nd - 3 PM

CHIEF PRIDE FOCUS

Our Monthly focus this month is Dedication. Look for information soon!
