What do our parents say about the SACC staff?

So grateful for my kids to have a safe and fun place to be while we finish our work days. Staff have always been very friendly and professional.

The staff is great with the kids and always polite at drop off and pick up. They plan such fun activities for the kids and make it enjoyable.

My daughter loves SACC. She gets the opportunity to play with kids outside her grade and thrives. It challenges her to try new things and step out of her comfort zone. We love it!

The staff is kind, playful, and cares for the safety and growth of our kids. We're so lucky to have the SACC staff caring for our kids every morning and afternoon! Thank you!!

Thank you for providing a fun time for my kids! I appreciate the variety of activities provided to keep them busy and enriched. They're so happy at SACC it's a fight getting them to leave at pickup time!
