2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

2024-25 School Description and Mission Statement

Principal's Message:
In accordance with Proposition 98, every school in California is required to issue a School Accountability Report Card. We are proud of Hayden Elementary School and welcome this opportunity to tell you more about us. Hayden Elementary School has an ongoing tradition of academic excellence. The students, parents, staff, and community members have joined together to assure success for all students. The staff at Hayden believes each child is unique and deserving of a rich academic environment. Each student has access to a rigorous, standards-based core curriculum in language arts, mathematics, science, and social science.

2024-25 School Description and Mission Statement

The highly qualified, professional staff is dedicated to the success of our students. We are fortunate to have many experienced and knowledgeable teachers eager to make a difference for our students. We believe that all children can learn through a student-centered approach, providing an atmosphere that nurtures each child's health, social, emotional, and intellectual needs. All children have talents and are given opportunities to develop those talents. We care about each one of our students and we want them to be successful, life-long learners.

Hayden Elementary School prides itself on involving parents and community members in every aspect of our school. We welcome visitors on campus for classroom visitations, student recognition assemblies, musical performances, and other special events. We believe that the partnership of parents, community members, and staff working together is the foundation for the success of our students. We are very proud of this fine tradition at Hayden Elementary School.

School Mission Statement:
It is our collective responsibility to educate and empower all students to pursue excellence through a distinctive, rigorous, and engaging academic experience.

School Profile:
Westminster School District is located 35 miles southeast of Los Angeles in the city of Westminster, California, in beautiful Orange County. Real estate opportunities, self-owned businesses, marketing companies, and a variety of private and public sector organizations enrich the local economy. Dr. Jessie K. Hayden Elementary School first opened in 1962 becoming Westminster School District's third school and since then has continued to provide students in grades preschool through five with a challenging educational experience. Hayden Elementary School operates on a traditional schedule with 520 students enrolled at the beginning of the 2024-25 school year. Student body demographics are approximately: 58% Asian (primarily Vietnamese), 36% hispanic, 3% white, 3% other or mixed. 56% are ELs. 11% homeless, 80% SED, 12% SWD

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Westminster School District held a hearing on October 12, 2023 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. The State of California. Core subject textbooks and instructional materials are provided for each student, including English Learners.

Standards-aligned texts and materials are reserved both for use in the classroom and to take home. All textbooks and instructional materials used within the school are aligned with California State Frameworks, State Board of Education, and District Standards.

Westminster School District is actively involved in the selection process of materials and textbooks. The selection process involves teachers, administrators, district support personnel, and parents. The district follows the State of California's Textbook Adoption Cycle, which requires every school site to review textbooks in each curriculum area within a seven-year cycle; textbooks are replaced at the rate of one subject area per year. The table contains a list of the most recent textbook adoptions in core curriculum areas for the school as of October 12, 2023.

Year and month in which the data were collected	December 2024

School Facility Conditions and Planned Improvements

Hayden Elementary School offers a safe and secure campus for students, staff, and visitors. The chart displays the results of the most recent facility inspection provided by the district in July 2023.

Cleaning Process & Schedule
The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, multipurpose room, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

Maintenance & Repair
District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service that emergency repairs are given the highest priority. We use a Work Order interface to submit for repairs.

Deferred Maintenance Budget
The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

Mathematics (grades 3-8 and 11)	49	49	44	45	34	35

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Hayden Elementary School is aware of the positive correlation between parent and community involvement and the success of students. Parents and community members are encouraged to join the teachers and district administrators in the many activities, programs, and organizations that support its students. Numerous programs and activities are enriched by the generous contributions made by the City of Westminster, Westminster Family Resource Center, ASES, ESP, and charitable organizations. All Hayden parents are invited and encouraged to attend all meetings via email and school website. Hayden has 2 part-time community liaisons (Spanish & Vietnamese) who assist with translation and communication needs.

Some Parent Involvement Opportunities
School Site Council (SSC): During the first few weeks of the school year, all parents may run for School Site Council (SSC) and attend the meetings. There are 5 parents elected to serve on the. There are at least 4 SSC meetings spread throughout the year.

English Language Advisory Council (ELAC): There are at least 3 meetings spread throughout the year. The Community Liaisons reach out to EL families and encourage their participation.

PTA: There are monthly meetings and they host school activities such as Fall Festival, Book Fair, Holiday Photos, and more.

Back-to-School Night: Teachers present to parents about their classroom policies.

Fall Festival: Celebration in the Fall with families and students in the evening (PTA sponsored)

Family Art Night

Family Bird & Reptile Show

Lunch on the Lawns

Hayden Highlights Live Parent Meetings (Similar to Coffee with the Principal)

2024-25 Opportunities for Parental Involvement

Mad Science Nights

Fall Goal Setting Conferences: Parent-teacher conferences for all students where parents review assessment data and collaborate to set goals.

Spring At-Risk Conferences: Parent-teacher conferences with parents of at-risk students

Student Study Team (SST), 504, and IEP Meetings: Parents collaborate with teacher and support staff to provide interventions and accommodations to meet the needs of their child.

Open House: Teachers showcase student work and reflect on the school year.

School Smarts and Love & Logic Parent Classes

WSD Parent Symposium

Parent Volunteer opportunities

Parent Education Nights: Parents education meeting nights are offered throughout the year. Parents are surveyed on their topics of interest.

These opportunities are designed to welcome parents, solicit input, and answer questions. We have open communication with families where parents are encouraged to make an appointment with their child's teacher or principal at any time. Our school website, weekly Hayden Highlight emails, and Instagram account to keep families up to date with what is going on at Hayden. We have also added Seesaw school-wide to help communicate with our parents.

Parent surveys will provide us with feedback and direction.Hayden Elementary School will provide materials and training, such as literacy training and using technology, to help parents to work with their child to improve their child's achievement. Hayden Elementary School will educate all staff members, with the assistance of parents, in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and Home-School Compact shall be developed jointly with parents outlining how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. Hayden Elementary School, when feasible and appropriate, will coordinate and integrate parent involvement programs and activities and conduct other activities that encourage and support parents to more fully participate in the education of their children.

2024-25 School Safety Plan

Hayden Elementary School offers a safe and secure campus for students, staff, and visitors. The school was built in 1962 and provides up-to-date facilities and adequate space for students and staff. Hayden Elementary School is comprised of a TK and kindergarten area, library media center, Innovation lab, music room, large multipurpose room, wellness room, and classrooms.

2024-25 School Safety Plan

The school also enjoys a spacious playground with swings, a slide, play bars, and grassy fields for running, sports, and games.

Hayden Elementary School's Comprehensive School Site Safety Plan is reviewed annually to ensure the protection of students and staff, the school and school property, and to establish a climate that is conducive to learning. All staff members have copies of the plan and annually attend in-service days regarding school site safety policies. Students participating in in-person instruction are supervised throughout the day by classified employees and teachers. The School Safety Plan was approved by the School Site Council on October 29th 2024 and subsequently shared with our staff and families. There is a copy in the office for them to view.

The school is in compliance with all laws, educational codes, hazardous materials, and state earthquake standards. At all times, the Westminster School District continues to follow CDC guidelines and abide by all health and safety measures and policies put forth by the State of California and Orange County. Safety measures enforced and resources provided to staff and students include but are not limited to:

- Closed Campus (Gate around entire campus)
- Raptoring all visitors on campus
- Volunteer guidelines including TB test.
- Push gates
- Parking lot and traffic flow maps
- Safety Reminders to students in morning announcements
- Two-way radios
- Video surveillance cameras
- Work Order procedures
- Safety blocks on doors
- Safety Walks with city and/or school resource officer

Additionally, earthquake preparedness drills, fire drills, and shelter in place drills are held regularly. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crises and emergency supplies are available.

Professional Development

Annually there are three district staff, classified and certificated, professional development days. The topics for these days are determined by the district level focus areas such as safety, curriculum adoptions and instructional supports as well as input from the staff for "voice and choice" session tailored to specific needs such as social-emotional supports and staff evaluations. In addition, the district provides monthly release time for professional teams to work and learn together. Certificated staff also participates in bi-monthly Wednesday professional development in either team professional learning communities or targeted professional training sessions. Instructional support specialists provide classroom coaching and professional development that is on-going throughout the year. District staff also attend conferences and outside training that is site determined such as behavior interventions and supports, AVID conference, Write From the Beginning training, technology training, Thinking Map training, Social Studies textbook training, ELD training, PLC trainings, GATE trainings, and more.
