

CONTRIBUTION ACKNOWLEDGEMENT FORM

Godley Independent School District is a public school district and is a political subdivision of the State of Texas. The District is not a tax-exempt entity under the Internal Revenue Service (IRS) Code Section 501(c)(3). However, the District is considered a tax-exempt organization that may receive charitable contributions according to the IRS Code Section 170(c)(1). This section states that a charitable contribution means a contribution or gift to or for the use of:

“A State, a possession of the United States, or any political subdivision of any of the foregoing, or the United States or the District of Columbia, but only if the contribution or gift is made for exclusively public purposes.”

Please note, contributions made to various parent or community organizations, such as PTOs and Booster Clubs, are not contributions to the District. Since these organizations are separate entities from the District, The District’s tax-exempt status does not apply to these organizations. When a PTA or Booster Club donates monetary or non- monetary items to the district, then the donation is considered a contribution to the District.

The District may receive charitable contributions if they are for public purposes, such as benefiting a group and not an individual. Contributions may be made to the District, District schools, District departments, or various District groups and clubs. These charitable contributions are deductible by the contributor on their tax return.

The federal identification number of the Godley Independent School District is #75-6003415.
