## **PURCHASING COMMODITY CODES**

Purpose: To track district-wide aggregate purchases in a 12-month period by fiscal year spend of like-type products and services. The like-type definition is a similar product or service. The use of commodity code is for tracking of like-type products and services. If you cannot find a commodity code that is appropriate for your requisition, please reach out to the Business Department for assistance.

Commodity Category	Commodity Codes	Category Name	Commodity Description
100-000		Administration	Administration
	100001	Administration	Advertising and Communication Costs
	100002	Administration	CBAS and Community Involvement
