2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2024-25 School Description and Mission Statement

Principal's Message
Dear Students, Parents, and Guardians,

I am delighted to extend a warm welcome to all members of the Warner Middle School community. As the proud principal, it is my privilege to introduce myself and share our school's commitment to fostering academic excellence, personal growth, and a supportive environment for all students.

2024-25 School Description and Mission Statement

At Warner Middle School, we hold a steadfast belief that education is the key to unlocking limitless possibilities. Our dedicated team of educators is passionate about providing an academic experience marked by rigor and readiness. We strive to empower our students with the knowledge, skills, and critical thinking abilities they need to succeed in a rapidly evolving world. Whether it be in the realms of science, mathematics, language arts, or any other subject, our curriculum is designed to challenge and inspire each and every student.

We recognize that preparing students for their future goes beyond academic pursuits alone. That's why we offer a diverse range of college and career elective choices. These elective courses are carefully curated to provide students with exposure to various fields of interest, allowing them to explore their passions and ignite their potential. Our aim is to help students make informed decisions about their future pathways, ensuring they are well-prepared for the next stage of their educational journey and the world beyond.

In addition to our robust academic program, we take great pride in our extracurricular offerings. Warner Middle School is home to a vibrant array of clubs and sports teams, providing students with numerous opportunities for personal growth and self-expression. Whether it's joining a robotics club, participating in a musical ensemble, or competing on the basketball court, our extracurricular activities encourage teamwork, leadership, and a well-rounded development.

We understand that a student's overall well-being is vital for their success. Therefore, our staff is committed not only to academic growth but also to providing a nurturing and caring environment. Our dedicated team of educators, counselors, and support staff work collaboratively to ensure that every student feels valued, safe, and supported. We recognize and address the social and emotional needs of our students, fostering an inclusive community where individuals can flourish.

At Warner Middle School, we firmly believe that every student has the potential to succeed and thrive. With a commitment to individualized attention and tailored support, we celebrate and embrace the diverse talents and abilities of our student body. We encourage our students to set high goals, pursue their dreams, and develop into responsible and compassionate citizens.

I look forward to a fantastic year filled with accomplishments, growth, and memorable experiences. Please feel free to reach out to me or any member of our dedicated staff if you have any questions, concerns, or suggestions. Together, we can make Warner Middle School a place where all students thrive.

Dr. Kenneth Lopour Principal, Warner Middle School

School Mission Statement

Warner Middle School empowers all students to reach their full potential through rigorous college and career curriculum preparation.

Vision:

At Warner we create an environment where students have no limits. Students will become productive, life-long learners who strive for a successful future. Warner promotes problem solving, social emotional learning, and critical thinking skills, all of which allow students to demonstrate college and career readiness.

Warner also has a set of core values that we believe in and practice on a daily basis. We always say "Warner R.O.C.K.S."

- R - Respect
- O - Organization
- C - Courage
- K - Kindness
- S - Self-Control

Community & School Profile

Westminster School District is located 35 miles southeast of Los Angeles in the city of Westminster, California, in beautiful Orange County. Real estate opportunities, self-owned businesses, marketing companies, and a variety of private and public sector organizations enrich the local economy. The district serves grades kindergarten through eight in the Westminster area as well as the neighboring communities of Garden Grove, Huntington Beach, and Midway City. The district is comprised of seven K-5, six K-6 elementary schools, and three middle schools. Willis Warner Middle School was built in 1961 and since then has continued to provide students in grades six through eight with a healthy learning environment. Warner Middle School operates on a traditional schedule with 850 students enrolled at the beginning of the 2024-245 school year. Total enrollment in the district for the 2024-25 school year was approximately 9,030 students. .

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Westminster School District held a hearing on October 12, 2023 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. The State of California. Core subject textbooks and instructional materials are provided for each student, including English Learners.

Standards-aligned texts and materials are reserved both for use in the classroom and to take home. All textbooks and instructional materials used within the school are aligned with California State Frameworks, State Board of Education, and District Standards.

Westminster School District is actively involved in the selection process of materials and textbooks. The selection process involves teachers, administrators, district support personnel, and parents. The district follows the State of California's Textbook Adoption Cycle, which requires every school site to review textbooks in each curriculum area within a seven-year cycle; textbooks are replaced at the rate of one subject area per year. The table contains a list of the most recent textbook adoptions in core curriculum areas for the school as of October 12, 2023.

School Facility Conditions and Planned Improvements

Warner Middle School offers a safe and secure campus for students, staff, and visitors. The chart displays the results of the most recent facility inspection provided by the district in September 2022.

Cleaning Process & Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, multipurpose room, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

Maintenance & Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service that emergency repairs are given the highest priority. There are many planned upgrades to HVAC systems and general modernization of facilities planned to begin in the Summer 2023.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Warner Middle School is aware of the positive correlation between parent and community involvement and the success of students. At Warner, parents and community members participate in ongoing collaborative meetings at Parent Teacher Association meetings (PTA), English Language Advisory Committee (ELAC), Parent Education Nights, and community members are participants on the School Site Council, and assist with Eighth Grade Exit Interviews. Academically-focused family nights include: English Learner Parent night, AVID family night, Coffee with the Principal events, Parent conferences, Back to School, and Open House Nights, all of which are designed to welcome parents, seek input, and answer questions. Warner Middle School has forged partnerships with the City of Westminster and the Westminster Police Department, as well as the Boys and Girls Club, Healthy Smiles, and various other local community support organizations. We also communicate on a weekly basis with families through our Wildcat Weekly Newsletter.

Parent involvement is an integral part of the school program and we strive to find new ways to connect with families every year.

2024-25 School Safety Plan

Warner Middle School offers a safe and secure campus for students, staff, and visitors. The school was built in 1961 and provides up-to-date facilities and adequate space for students and staff. Warner Middle School is comprised of a library, two computer labs, technology lab, large gymnasium, and 39 classrooms. The school also enjoys a playing field for running, sports,

2024-25 School Safety Plan

and games.

Warner Middle School's Comprehensive School Site Safety Plan was reviewed and approved by our School Site Council in October of 2024 and approved by our board of education during their December 2024 board meeting, to ensure the protection of students and staff, the school and school property, and to establish a climate that is conducive to learning. All staff members have copies of the plan and annually attend in-service days regarding school site safety policies. The plan describes action plans for all manner of emergencies from: earthquake, fire, active shooter, lockdown, airplane crash, flooding, and many other natural or human disasters that could impact the safety of students or staff. Students participating in in-person instruction are supervised throughout the day by classified employees and teachers.

Additionally, earthquake preparedness drills, fire drills, and lock drills are held regularly. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crises. Emergency supplies have been provided to every room on campus and school-wide emergency supplies are available as well.

Professional Development

Annually there are three district staff, classified and certificated, professional development days.

The topics for these days are determined by the district level focus areas such as safety, curriculum adoptions and instructional supports as well as input from the staff for "voice and choice" session tailored to specific needs such as social-emotional supports and staff evaluations. In addition, the district provides monthly release time for professional teams to work and learn together. Certificated staff also participates in bi-monthly Wednesday professional development in either team professional learning communities or targeted professional training sessions. Instructional support specialists provide classroom coaching and professional development that is on-going throughout the year. Administrative staff attend a variety of trainings both directed by the district through their annual "leadership conferences" as well as trainings tailored to specific site needs. District staff also attend conferences and outside training that is site determined such as behavior interventions and supports, AVID training, reading and writing conferences, technology conferences and GATE conferences. On a weekly basis, teachers are given a various timely and topical research articles to support their work.

Staff are also allowed grade level and departmental release days every trimester to focus on their grade or subject specific PLC needs. Our site also have Wednesday PD and PLC days attached to staff meetings.

This table displays the number of school days dedicated to staff development and continuous improvement.
