

# FUSD Expanded Learning Wilson After School Program April 2025 Newsletter

## 🎯 After School Message

Hello April! We are over half ways through this school year. It has been a pleasure time serving your child/ren in the after-school program this 2024-2025 school year. During the duration of the school year, we will continue to promote personal growth, building lasting memories, and exiting path of learning together.

For the remainder of this school year, we will continue to work with Teocalli for our “Enrichment” component. Our students will continue to enjoy folklorico dancing, singing and participating in cultural art activities. They will also be preparing for the end of the year performances in the above categories . We will also continue to provide homework assistance daily.

Please feel free to contact us with any questions or concerns.

Warm regards,

*Monique Robinson/ Site Lead*

*Sara Hassan / Coordinator*
