Dear Parents and Guardians,

This Spring, we will be administering the New Jersey Student Learning Assessment (NJSLA) to high school students in grades 9 and 11. *Individuals in grades 10-12, who have not yet taken an NJSLA Math assessment, are required to sit for this exam.* As you are probably aware, we are required by federal regulations to assess our students in English Language Arts/Literacy, Mathematics and Science. Testing dates for our high school students are listed below.

April 29th - May 2nd: NJSLA Grade 9 Only

- 4/29 - 5/2 -- 2 Days ELA & 2 Days Math (enrolled in either Algebra 1, Geometry, Algebra 2)

April 29th - 30th: NJSLA Grade 11 Only

- 4/29 - 4/30 2 Days Science

As a reminder **all** students testing **must** bring:

- The fully-charged **school-issued Chromebook and charger**
- **Wired headphones** - *this is required*

Students **MAY NOT** bring:

- Personal devices - these **cannot** be used for testing
- Calculators - students must use the built in one
- Bags/phones - ALL belongings **must be stored in lockers** for the duration of the test

On testing days, THS will follow the condensed bell schedule below. Testing students should arrive at school by 8:00am and report directly to testing rooms - room locations will be posted on the PITT. Non-testing students can arrive by 10:30 am for their first class. If students arrive earlier, they must remain in the cafeteria until testing is completed by 10:10 am.

It is imperative that students arrive at school on time by 8 a.m. for all test administration days. Arriving late to school may result in your child having to make up a section of the assessment during class time the following week.

Our Tenafly teachers prepare students for NJSLA assessments. Our curriculum is aligned with NJ Student Learning Standards and our students are regularly presented with the skills and knowledge essential for performing well on these tests. We believe that a strong curriculum, rather than isolated test prep, is the best way to prepare students for all types of assessments.

Review practice tests for each grade level of the assessment are available on the [New Jersey Practice Tests webpage](#) should you wish to familiarize yourself with the kinds of questions and format used for the NJSLA.

Please contact your school counselors with any questions or concerns. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'ASL' with a stylized flourish.
