NMRSD Update April 8, 2025

MCAS

As we are now moving into MCAS season, I want to be sure that all families are aware of DESE's expectations. During the pandemic, students were allowed to opt out, but this is no longer permissible.

All students are required to participate in the MCAS, and we would appreciate your support in this area. If a family refuses to allow their child to participate, but their child is in attendance, the student will still be given a ticket and a test. Students will not be allowed to read a book in the library or to work on something else in an alternative location.

Welcome Dr. Jessica Rintoul, New Assistant Principal @ NMRHS

We are excited to welcome Dr. Jessica Rintoul to North Middlesex Regional High School as our new Assistant Principal for the 2025-2026 school year! Dr. Rintoul brings a wealth of experience and a strong background in educational leadership. She holds a **Bachelor of Science** from **UMass Amherst**, a **Master of Arts in Teaching** from **Clark University**, and a **Doctor of Philosophy in Educational Leadership** from **Lesley University**.

She has served in various leadership roles, including **Dean of Curriculum and Instruction – Science** and **Pathways Director** in the Lawrence Public Schools. For the past two years, she has been an **Assistant Principal at Fitchburg High School**.

We are thrilled to have Dr. Rintoul join the NMRHS community and look forward to her leadership in the coming school year!

Welcome Mrs. Shannon Cole, New Assistant Director of Special Education

We are excited to welcome Mrs. Shannon Cole to North Middlesex Regional High School as our new Assistant Director of Special Education for the 2025-2026 school year! Mrs. Cole is an experienced educator with a diverse background spanning six school districts across the United States. Prior to

joining the North Middlesex Regional School District, Mrs. Cole spent seven years as a special educator in Massachusetts, California, and North Carolina. Her special education experiences range from preschool to eighth grade, and from inclusion to substantially separate settings. Mrs. Cole has focused her educational growth on special education and special education administration. She holds a **Bachelor of Science in Education** from **Westfield State University** and a **Master of Science in Education** from **Bay Path University**.

Mrs. Cole has several years of educational leadership experience in special education, including **as the Evaluation Team Leader** in the Lowell Public Schools and, most recently, as the **PK-4 Evaluation Team Leader** in the North Middlesex Regional School District.

Congratulations to Assistant Superintendent Gary Burboa-Reese!

Please join us in congratulating Assistant Superintendent Dr. Gary Burboa-Reese, who has been elected to a two-year term on the Executive Committee of the National Association of Federal Education Programs Administrators (NAFEPA).

NAFEPA is a national organization that supports educators working with federally funded programs across school districts and states. Dr. Burboa-Reese currently serves as one of two Massachusetts representatives on the NAFEPA Board of Directors, and he will now also serve alongside the organization's officers on the Executive Committee.

This honor is a testament to Dr. Burboa-Reese's unwavering dedication and leadership in advocating for vulnerable students in Massachusetts and beyond. We are proud of his continued commitment to equity, opportunity, and excellence in education—and grateful for the impact he makes each day in our district.

Congratulations, Dr. Burboa-Reese!
