Adopting a “Seamless” Model of Secondary Transition in Oregon

Supporting Youth/Young Adults in Oregon to Access Competitive and Integrated Employment

Goals

1

To provide consultation, training, and technical assistance to local school districts in the successful adoption of the seamless model to meet the needs of select cohorts of students

2

To promote professional learning and development for secondary special educators and others in the successful implementation of evidence-based practices and predictors of post-school success

3

Engage with agency partners, employers, and others in support of services through effective collaboration and to create successful partnerships
