# Lions Club - Promoting Vision Health for OPCSD Students

Thank you to the Lions Club for sharing the Welch Allyn vision screener and screening over 800 of our elementary students.

This screener can accurately detect serious vision issues in a matter of a few seconds.

## Maximizing the Potential of Every Student, Every Day

Our District Comprehensive Improvement Plan (DCIP) guides our mission to maximize student potential by prioritizing equity, inclusion, diversity, and removing barriers to access and opportunity. These principles shape our daily work as we advance learning and achievement, foster a positive climate and culture, and strengthen family and community engagement.

# Academy Of Finance

The Orchard Park High School Academy of Finance is among a select group who have reached NAF's model level for 2025. These academies are being spotlighted for their excellent efforts in delivering high-quality educational experiences for high school students across the nation.

"This prestigious recognition is a true reflection of the dedication and collaboration that drive the success of our Academy of Finance," said Kristen Casto, Academy Director. "Our achievements would not be possible without the hard work of our students, the passion of our teachers, the guidance of our advisory board, and the unwavering support of our business and community partners. This honor is a testament to the power of teamwork at its finest."

# Excellence in Music Education

## BPO/ECMEA Award for Excellence in Music Education:

This award recognizes and honors music educators who make possible the progression from the very first note, to the last exquisite tone, as students are nurtured into the musical art. One of this year's award recipients is **Tami Feldman**, music educator, Eggert Elementary and Ellicott Elementary
