

Canutillo High School Health Class Permission Slip

Dear Parent/Guardian,

At Canutillo High School, our health curriculum aims to empower students in making informed, healthy decisions. Throughout the course, students will explore various sensitive topics, including mental and emotional health, substance use, body image, and sexual health. We aim to create a safe and respectful learning environment where students feel comfortable discussing these important subjects.

We require your written permission to ensure your child can participate fully in this valuable program. If permission is not granted, alternate educational activities will be planned for your child.

Please review the following options and provide your signature below:
