Resolution in Support of Military-Connected Students and Families

Our nation is deeply indebted to the brave men and women of the Armed Forces, along with their families and loved ones, who sacrifice daily to protect our freedoms. Their unwavering dedication and service deserve recognition and appreciation.

Military-connected students and their families face unique challenges, including frequent relocations, deployments, and reintegration. Despite these obstacles, they display extraordinary resilience, adaptability, and strength. At PSJA Memorial Early College High School, we are committed to ensuring that these students receive the support and resources needed to thrive academically, socially, and emotionally.

As a campus, we honor the contributions of military families by fostering a welcoming and inclusive environment where they feel valued and supported. Our faculty and staff work to provide essential academic assistance and emotional support to help these students navigate their educational journeys successfully.

To further honor their sacrifices, PSJA Memorial Early College High School proudly designates April as the Month of the Military Child. During this time, we make a special effort to celebrate military families and pay tribute to the strength, resilience, and contributions of military children.

Additionally, we are developing a dedicated campus webpage for military families, which will provide relevant resources for military-connected students and their families. This webpage will include information on relocation, enrollment and registration, academic planning, as well as counseling and support services. Led by our Campus-Based Military Liaison, Dr. Gina Saenz, this initiative aims to ensure that military families have easy access to the assistance and guidance they need for a smooth transition and continued success at our school.

We encourage all staff, students, and community members to take part in activities and initiatives that support and honor military families. Their sacrifices should never go unnoticed, and it is our responsibility to ensure they feel appreciated and empowered.
