## 4. Discussion Points:

- HUSD Survey

Mr. Griggs provided an overview of the recent HUSD Parent and Staff Survey. The survey was sent to all parents and staff within the Higley Unified School District. He explained that the Maintenance & Operations Override did not pass in the November 2024 election. As a result, there will be a reduction in funding for the 2025-2026 school year, with the possibility of additional cuts for the 2026-2027 school year if the Override is not renewed. The district is seeking community input to help guide decision-making as they navigate these budget challenges. A Community Town Hall will be held on Wednesday, February 19 at 5:00 PM in the HUSD Board Room to discuss these challenges and gather feedback from families and community members.

- Chinese New Year Celebration

Mr. Griggs shared his excitement about Coronado hosting this year's District Chinese New Year Festival. This event will provide an opportunity to showcase student performances and displays from Cooley Early Childhood Development Center, Cooley Middle School, and Williams Field High School. The festival will highlight the many opportunities available to HUSD students throughout their educational journey.

- Open Discussion

The meeting adjourned at 5:19 PM
