# OPPORTUNITIES FOR ALL

## MORE THAN A GAME

SBISD's Athletics and Performing Arts programs offer far more than just opportunities for athletes and performers — they create **real-world experiences** that benefit all students. Beyond the stage and the field, students take on essential roles that bring these programs to life, including Mascots, Event Staff, Student Athletic Trainers/Assistants, Band and Pep Squad Members, and students covering sporting events for Journalism/Broadcasting classes.

These experiences allow students to develop the **Core Characteristics of a T-2-4 Ready Graduate**, honing critical soft skills such as leadership, teamwork, communication, and problem-solving. Whether they're managing game-day logistics, energizing the crowd, or capturing the action for a news segment, students gain hands-on experience that prepares them for success—in college, career, and beyond.

**Academically Prepared**

**Ethical & Service-minded**

**Empathetic & Self-Aware**

**Persistent & Adaptable**

**Resourceful Problem-solver**

**Communicator & Collaborator**

## Let's CHEER about it!

**Every year, thousands of students in SBISD participate in athletics and performing arts programs.**

Whether they're playing an instrument or competing as part of a team, our middle and high school students are shining. And let's not forget about our youngest learners—they're engaging in activities that build connections to middle and high school programs, fueling their passions and enriching their school experience. **Here are just a few of the MANY ways our students connect, grow, and shine!**

### 2023-2024 Honors, Awards & More
