

Athletic Liaison Report 4/10/2025

Softball: Softball is coming off a dominating 19-1 win over Columbia yesterday afternoon. They are currently 2-6 with many section opponents left to play this season. We have a younger team this year with only 4 seniors. Softball's next game is home today vs Annville Cleona.

Baseball: Baseball is also coming off a 3-1 win over Columbia yesterday afternoon. This makes them 2-0 in our section games for the year. They will be traveling to Annville Cleona this afternoon. This will be the first of 2 games against AC this season. Overall, baseball is 3-6 this year. They have had a strong schedule with their opponents' winning percentage being 97.70 %. With many more section games to be played, there are many more opportunities to improve.

Boys Tennis: Tennis is having a very strong season with a 9-1 record. Their only loss this season was to a very strong Lancaster Country Day Team. The team just secured a 6-1 victory last night against Octorara and plans to head up to Northern Lebanon today to finish a suspended match from last week. The team has a chance to make the league playoffs this year, which will start on April 17th. They have two big matches: against ELCO and Annville Cleona next week, which will determine if we get into the team tournament.

Track and Field Co-op (LMH): The track team has had one league meet this year at Donegal this past Monday. With the team being smaller than most track teams winning an actual meet is very hard to do because we do not have enough kids for all events. However our kids get ample opportunity to compete individually and have put up some very good results. See the results below from the girls and boys team from Monday.
