

SCHOOL RECORD OF EXAMINATIONS REQUESTED

June 2025

This form may be photocopied by the school and used in the following ways:

- As a worksheet for preparing your school's online request for submission to the Department
- For circulation to the special education coordinators, department chairpersons, and other school officials for reporting their examination needs to your school's central office on a subject-by-subject basis

Be sure to retain in your files the final version of this form, which needs to match the online request submitted to the Department. You will need to use that version to check your confirmation notice, which will be sent by e-mail within three business days of the submission of your school's online exam request.

Special Notice for June 2025

Life Science: Biology and Earth and Space Sciences are new examinations that will replace the Living Environment and Physical Setting Earth Science examinations in **June 2026**. Please be mindful during the overlap period to order the examination that matches the course curriculum completed by the students for whom you are ordering exams.

* Available in restricted form, only. Each copy of a restricted test is numbered and sealed in its own envelope and must be returned, whether used or unused, to the Department at the end of the examination period. Building principals are responsible for returning all restricted exam materials shipped to their school. Request only the exact number of restricted booklets required. *Do not request sample copies or extra copies.*
