

FOREIGN STUDENT ADMISSIONS INFORMATION
F-1 VISA STUDENTS

***** STUDENT MUST RESIDE IN THE CITY OF ALAMEDA TO BE ELIGIBLE*****

The Alameda Unified School District (AUSD/District) is authorized to issue I-20 documents for students to attend an AUSD high school using an F-1 student visa. The following information is meant to familiarize you with District policy and procedures. Students, parents and guardians may wish to contact the U.S. State Department, Immigrations and Customs Enforcement Agency or an immigration attorney for additional information.

F-1 Visa Students may only attend public school grades 9-12 for 10 months in accordance with federal law. Students are in this country for the sole purpose of study and must be attending a full-time program. Students must not have already completed another high school program, and unless otherwise authorized, must be under the age of 18 at the time of enrollment. AUSD is unable to accommodate F-1 students with special education needs or students with special medical or educational requirements.

Parents must understand all district information regarding foreign student admissions, including the refund policy. Parents must complete and/or read and sign the **I-20 Application** and complete, sign and notarize the **Authorization for Adult to Act as Custodial Parent**. Parents are responsible for locating suitable living arrangements for the student. The parent must designate the host guardian and may designate an additional guardian on this form.

Homestay Accommodations and Guardians are not located or provided by the AUSD staff. Additionally, the District cannot suggest or recommend home stays or living arrangements for international students.

Host Guardians must reside in the city of Alameda, be 21 years of age or more, and be a U.S. citizen or permanent resident. The host guardian must be willing to receive, maintain and support the student and must assure the U.S. Government that the student will not become a public charge in the United States.

Additionally, please note the following requirements for the guardian:

- Student and Host family must reside within the City of Alameda.
- Guardian must complete the online registration and make the enrollment appointment to complete the enrollment, meet with the PDSO with originals and 1 copy of all required documents on the I-20 Checklist. The presence of at least one assigned guardian is mandatory at the time of the enrollment appointment.
- Advise the PDSO when the student arrives and starts school. Provide the PDSO with a copy of the student's passport.

Note: *The student's record will not be activated until these documents are received and enrollment at the requested school is confirmed.*

STUDENT SERVICES: 2060 Challenger Dr., Alameda, CA 94501 | P: (510) 337-7072 | F: (510) 337-7071

- Advise the PDSO prior to any change of residence or school status.
- Advise the school of any changes in emergency information or student status.
- Attend all meetings requested by school officials.

Failure of the guardian to meet the above obligations may result in cancellation or termination of the I-20, jeopardizing the student's visa status.

Travel Insurance is not required or furnished by the Alameda Unified School District. Parents and guardians are strongly encouraged to adequately insure the student in case of emergency. Students may not incur any public expense while a visitor in the United States.

School of Attendance must be an AUSD school. Students may not attend a school outside of AUSD using an I-20 issued by AUSD. To find the school in your zone, enter the home address into the AUSD School Site Locator tool at this link [AUSD School Site Locator](#). You can also find the school site locator tool on the [Enrollment page](#).

Note: *Students may not attend an independent charter school using an I-20 issued by the Alameda Unified School District. Please confirm that there is available space to apply.*

Grade and Course Placement - Students will be placed in grades 9-12 based on age and transcript evaluation. Students do not need to be fluent in English. Students whose home language is other than English will be given the California English Language Development (CELDT) test to determine if English as a Second Language (ESL) classes will be assigned. Students and guardians must work with the academic counselors to determine appropriate coursework.

Diplomas — A high school diploma is not guaranteed and is dependent on the units accepted from the transcript evaluation completed at the high school of attendance. Some previous coursework may not be transferrable. English classes taken in a non-English speaking country are generally treated as foreign language courses and may not count towards AUSD's English requirements. Determination of acceptable coursework will be made by an administrator at the school of attendance based on transcripts submitted from previous schools and completion of all AUSD graduation requirements within the student's term of study.

Required Fees for the 2025-26 school year include a tuition fee of \$19,500. Tuition must be paid via electronic transfer or in the form of a cashier's check drawn on a U.S. bank or a U.S. Postal money order made payable to Alameda Unified School District (AUSD) prior to issuance of the I-20. A receipt for payment will be issued to the remitter.

Student and Exchange Visitor Program (SEVP) SEVIS I-901 fee must be paid after the I-20 is issued and prior to the student's visa interview. As of June 24, 2019, the fee is \$350. This fee may be paid online at <https://www.ice.gov/sevis/i901>. This is not an AUSD fee but a federal requirement.

Refund Policy – The AUSD I-20 refund processing fee and the SEVIS I-901 fee are not refundable. Refunds will be paid only to the remitter of the check as identified on the receipt for payment.

If a student does not pass their U.S. Consulate interview, the full amount of the tuition will be refunded minus the \$2500 AUSD refund processing fee. If a student begins school, then transfers or terminates prior to the end of a semester, tuition will not be refunded for the current semester. If the student transfers or terminates after the first semester, without attending any day of the second semester, the tuition amount for the second semester will be refunded minus the processing fee.

Applications - The deadline to submit applications is May 23, 2025. Please note the AUSD limit is 25 (1% of the AUSD high school population) international students per school year. Processing of applications will begin on March 24, 2025. Applications received prior to March 24th will be held and only processed starting March 24th. Tuition must be pre-paid in full for any part of a school year that the student attends. It is strongly recommended that students attend the full school year to maximize their cultural experience and opportunity for academic credit. Sufficient time should be allowed to complete the application, obtain the I-20, attend the visa interview at the U.S. Consulate and travel to the U.S. prior to school start date.

School start date – students may arrive in the country 30 days prior to the school start date, but students may not start school after the start date on the approved I-20. The first day of school for the 2025-26 calendar year is August 11, 2025.

Travel outside of the United States requires the issuance of a new I-20. To apply, the guardian must complete a Request to Travel Outside of the U.S. form and submit this form to the PDSO. Except in case of emergency, this travel document is only issued when the student is not required to be in school. The guardian must notify the school of attendance of all travel plans prior to any absence incurred. If approved, the PDSO will issue the Travel I-20 to the guardian.

Transfers – I-20 record may be transferred to another institution when the following documents have been received by the PDSO:

- The **Request for Transfer Form** signed by the student and guardian.
- A letter or email from the requested school stating the student's name, date of birth, date transfer requested and the school's ICE/SEVP code.

Falsification of any information – Failure to provide required documents, or failure to comply with requests from the school of enrollment or the Foreign Student Admissions Office may result in the cancellation of the student's enrollment and/or termination of I-20.

Official F-1 Visa Information is available from the U.S. Consulate office or an immigration attorney. Parents, guardians and students should be familiar with all applicable laws regarding the I-20 and the F-1 Visa.

**TUITION AND REFUND POLICY FOR
F-1 VISA STUDENTS**

A. Federal law requires that all foreign students using any F-1 Student Visa must pay the full unsubsidized cost of tuition. The amount of tuition is determined annually and covers the duration of the traditional school year.

B. The entire cost of tuition must be paid via electronic transfer or with a cashier's check drawn from a U.S. bank or financial institution or U.S. Postal money orders payable to AUSD prior to the issuance of an I-20. This check will be deposited immediately.

C. If a student is unable to attain the F-1 Visa, the full amount of the tuition will be refunded. If the student enters the country using the F-1 Visa, then fails to enroll, terminates or transfers from the AUSD prior to the end of the stated term of attendance, tuition will not be refunded for the current semester. If the student transfers after the first semester without attending any day of the second semester, the tuition amount for the second semester will be refunded, less the cost of the processing fee. If the student attends one day of the second semester, the tuition will be not be refunded.

D. The tuition will only be refunded to the person or agency that submitted the cashier's check or money order. This person must complete the Request for Refund Form.

I have received a copy of and understand the F-1 Foreign Student Admissions Information.

I have read and understand the above tuition processing fee and refund policy.

NO EXCEPTIONS

IMMUNIZATION REQUIREMENTS FOR AMERICAN SCHOOLS

***** PLEASE TAKE THIS WITH YOU TO THE DOCTOR'S OFFICE *****

To attend school in the United States, the series of vaccinations required by the schools here **MUST** be completed prior to acceptance into school. If a student does not have the vaccinations required by the American school system, he or she will not be permitted to start school. An accurate and documented record of all immunizations is required as follows:

DTP – 5 doses of DTP (Diphtheria, Tetanus, Pertussis)

Childhood series at 2 mos, 4 mos, 6 mos, 15-18 mos, and 4-6 yrs.

Note: *If dose #4 is received after the 4th birthday, dose #5 is not necessary. There must be 4 weeks between doses #1 and #2, and #2 and #3. There must be 6 months between dose #3 and #4.*

A TDAP booster is now required on or after the student's 10th birthday.

POLIO – 4 doses of Polio.

Childhood series at 2 mos, 4 mos, 12-18 mos, 4-6 yrs.

Note: *If dose #3 is received after the 4th birthday, dose #4 is not required. All doses of polio vaccinations should be at least 6 weeks apart. Students over 18 receive DPC rather than DPT.*

MEASLES, MUMPS, RUBELLA

2 doses of each or combined MMR: (Measles, Mumps, Rubella) Series of 2 vaccinations at least 1 month apart after the age of 1 year.

Note: *In the United States the Measles, Mumps, Rubella Vaccination is a "combined" vaccination. If the vaccinations were given as individual doses of "Measles", "Mumps" or "Rubella", two doses of each is required. If the student has had the disease, this must be verified through a blood test and one dose of the vaccination is required. SINCE THE VACCINATIONS ARE "COMBINED" IN THE UNITED STATES, IF THE STUDENT NEEDS A DOSE OF ANY OF THE THREE UPON ARRIVAL IN THE UNITED STATES, HE/SHE WILL RECEIVE THE "COMBINED" DOSE. (Example, Student had Measles doses, Mumps doses, but only 1 Rubella dose – he/she must receive the "Combined" Measles, Mumps, Rubella dose in the United States.)*

TUBERCULOSIS – TB TEST

All students must have had a Tuberculosis Test within six (6) months of the application. A normal test result should be reported as a negative test. If a positive result was recorded, an explanation must follow and a chest x-ray must be completed.

HEPATITIS

3 doses – Most schools require hepatitis immunizations. It is better to have it completed prior to departure.

VARICELLA

Students must have 2 doses of Varicella. If students have had Chickenpox, they do not need any Varicella vaccines.

MCV4 - 1 dose of Meningococcal Conjugate Vaccine.

FREQUENTLY ASKED QUESTIONS

Does my child need a tuberculosis test to enroll in school?

All new students entering grades 1-12 who have never attended any school in California must present documentation of the results of the Mantoux test done at some previous time, and must present a written report provided by a health care provider or health department giving the results of a Mantoux test prior to school entry. If the Mantoux test is positive, a diagnostic Chest X-ray will be required.

Students entering grades 1-12 from any other California school (public, private or parochial) are exempt from the requirement.

Do all students need the pertussis (Tdap) to enroll in school?

Pertussis (Whooping Cough) was widespread in California during 2010. Information on the management of pertussis in schools has been issued in REF-5238.0 and pertinent materials are posted on <http://pertussis.lausd.net>. Assembly Bill 354, now chaptered into California law, requires students to be immunized against pertussis.

Effective July 1, 2012, all students entering or advancing to 1-12th grade will be required to show evidence of receipt of a Tdap vaccine on or after their 10th birthday.

Students not meeting these immunization requirements may not attend school after the effective dates noted above.
