The Sheffield Education Foundation would like to invite you to partner with us to support the students and teachers of Sheffield City Schools. We are excited this year to have the famous comedian Heather Land known for her comedy "I Ain't Doing It" performing at the Shoals Theatre on Tuesday April 29th. The proceeds from this event will be used to provide teacher mini-grants, scholarships for students, recognition of academic achievers and to provide school support in many other ways. The level of sponsorships are outlined below. The Foundation is a non-profit organization with the goal of promoting educational excellence through a partnership between the community and the Sheffield City Schools

Thank you for your support!  
Ronnie Wicks, President
