

GREEN WEEK

Rock Solid: Unlocking Earth's Treasures

APRIL 21-25

Many activities will be taking place to celebrate Green Week:

- **Learn about the Earth's layers & resources.**
- **Special guest speakers will include representatives from the Children's Science Center, the Institute of American Indian Studies and the Children's Museum.**
- **Making pledges to care for our earth.**
- **Choice Day will include a variety of topic such as:**
 - ~How Gems and Crystals Are Made
 - ~Beautify Washington
 - ~What are Fossils and Where do They Come From?
 - ~Endangered Animals

AND MUCH MORE!

**PARENTS ARE INVITED TO JOIN
THEIR CHILDREN ON MAY 1ST AT
2:15 TO STROLL THE RIVER WALK
AND ENJOY THEIR PLEDGES**
