

Proposed 2025/2026 Attendance Boundary Adjustments
Navigator and Mather Heights Elementary Schools
Provisions and School Options
March 6, 2025

Folsom Cordova Unified School District wants to reduce the level of disruption that can sometimes occur with boundary adjustments. Staff has created the following Provisions and School Options policy for students affected by the 2025/2026 elementary school boundary modifications between Navigator Elementary School and Mather Heights Elementary School.

- Applicability: This policy only applies to students that are enrolled in Navigator Elementary School in the 2024/2025 school year and whose residence is within the area located from White Rock Road south to Douglas Road, and from Sunrise Boulevard east to Grant Line Road, which includes the developments of Rio del Oro, Somerset and The Preserve. These students are referred to as “Legacy Students” and the affected area is referred to as the “Applicable Area.”
- Proposed Adjustment: Shift of the current assigned elementary school in the Applicable Area from Navigator Elementary School to Mather Heights Elementary School.
- Legacy Student Elementary School Registration Options: Students residing in the Applicable Area and attending Navigator Elementary School in the 2024/2025 school year have the following school options starting in 2025/2026:
 - Attend Mather Heights Elementary School as a resident student with district-provided transportation.
 - Remain at Navigator Elementary School until moving to middle school. School Choice paperwork would not be required. District-provided transportation would not be available. Incoming siblings would be required to submit School Choice paperwork on a yearly basis and would have priority over non-legacy new school choice.
 - Priority Choice to attend Alder Creek Elementary School or Mangini Ranch Elementary School, on a space available, annual basis. District-provided transportation would not be offered.
- Registration Priorities at Navigator Elementary School:
 - Resident students
 - Legacy students
 - If space is available and on an annual basis, School Choice applications will be processed in the following order:
 - Priority Choice (Legacy) Siblings
 - Non-Legacy New School Choice
 - Interdistrict Transfers
- Transportation: FCUSD will not provide transportation for **any** choice students opting to remain at a school outside their newly assigned elementary school boundary.
- Special Education Student Transportation: Transportation services will be provided in accordance with district policies and as outlined in students’ Individual Education Plans (IEPs).
- Annual Update: Due to the increase of enrollment from new construction and variations in future yield rates, attendance boundaries will be reviewed on an annual basis and may be adjusted in the future as needed.
