

Oak Grove Playground Push

Help us upgrade and expand our upper grade play structure!

Oak Grove opened its doors in 2004- and while our community and population has grown, our grade 1-8 play structure has remained the same. Over the last 3 years your Oak Grove PTA has set aside \$110,000 from your generous donations to be able to expand and update our playground- but we're just short! With this upgrade came a few unexpected last minute costs. We need your support again to have our new play structure installed for the 25-26 school year. Rather than run another fundraiser, where we only get a percentage of the sales, we're coming to you for one last playground push!

Everything in color is new. All of our current equipment is in gray.

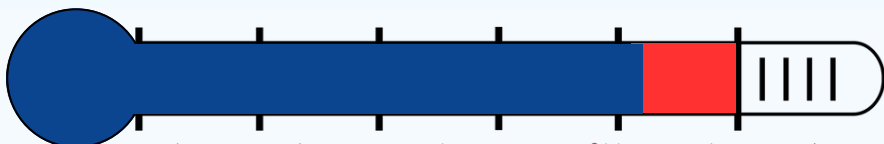

Please send all donations by May 2nd, 2025.

What's new?

- New 26 ft shade cover over the current upper grade play structure.
- New play structure with connecting bridge, ADA steps, braided climber, steering wheel, bell, mesh enclosure, dome climber, lookout tower, dupli-gator slide, and 17 ft shade cover.
- New Pegasus climbing structure.

How can you help?

- Donate online using the QR code below.
- Ask your workplace if they match charitable donations.
- Own a business? All donations to Oak Grove PTA are tax deductible. We are a 501(c)(3). Tax ID #: 20-1692266.
- Send cash or check made out to Oak Grove PTA with your student in an envelope marked Playground Push!
- Donations \$500+ will be displayed on a Sponsor Banner on our fence this Fall.

What we have
\$110,000

What we still need
\$15,000

Total Needed
\$125,000

donate here!

**Any donations above the \$15,000 will be added to our PTA general fund for field trips, classroom supplies, campus events, and more!
