

Student Conduct**

The Board expects student conduct to contribute to a productive learning climate. Students shall comply with the district's policies, administrative regulations, school and classroom written rules, pursue the prescribed course of study, submit to the lawful authority of teachers and school officials and conduct themselves in an orderly manner during the school day and during district-sponsored activities.

Careful attention shall be given to procedures and methods whereby fairness and consistency without bias in discipline shall be assured each student. The objectives of disciplining any student must be to help the student develop a positive attitude toward self-discipline, realize the responsibility of one's actions and maintain a productive learning environment.

Students are subject to discipline for conduct while traveling to and from school, at the bus stop, at school-sponsored events, while at other schools in the district and while off campus whenever such conduct causes a substantial and material disruption of the educational environment or the invasion of the rights of others.

12. Open defiance of a teacher’s authority, including persistent failure to comply with the lawful directions of teachers or school officials;
13. Violation of law, Board policy, administrative regulation, school or classroom rules.

The district recognizes that under the Unsafe School Choice Option of the Every Student Succeeds Act (ESSA), a school can be deemed unsafe as a whole entity or for an individual student based on expulsions for weapons violations, violent behavior or expulsions for students arrested for the following criminal offenses occurring on district grounds, on district-sponsored transportation and/or at district-sponsored activities:

2. Manufacture or delivery of a controlled substance;
3. Sexual crimes using force, threatened use of force or against incapacitated persons;
4. Arson;
5. Robbery;
6. Hate/Bias crimes;

The district will record and report these infractions to the Oregon Department of Education, as required.

The district will provide the opportunity for all students in any district school identified as persistently dangerous or for any victim of a violent criminal offense occurring in or on the grounds of the school the student attends, to the extent feasible, the opportunity to transfer to a safe school within the district.

Students are prohibited from making knowingly false statements or knowingly submitting false information in bad faith as part of a complaint or report, or associated with an investigation into misconduct.¹

Parents, students and employees shall be notified by handbook, code of conduct or other document of acceptable behavior, behavior subject to discipline and the procedures to address behavior. These procedures will include a system of consequences designed to correct student misconduct and promote acceptable behavior.
