7th Grade Tdap and Meningococcal Vaccine

Ohio State Law requires that students receive a dose of Tdap and Meningococcal Vaccine before they enter the seventh grade. Your student will need to show proof of having received these immunizations by the first day of school.

According to our files, your student needs to provide proof of the following:

Tdap

Meningococcal

Please return this form, completed, or a copy of your child's updated immunization record from your physician's office with the office stamp, letterhead or physician's signature to the Middle School office.

Name of Student:_____ Date of Birth:_____

Immunization Names (Adacel, Menactra, etc.):_____

Date Immunizations Given: Tdap-_____ Meningococcal-_____

Doctor's Office Stamp or Physician's Signature:
