## OUR ACADEMIC ACHIEVEMENT

## OUR MISSION

We empower today to excel tomorrow.

Irving Independent School District is a premier school district in the Dallas-Fort Worth area and is one of the most diverse school districts in the state. Our commitment is simple – we set every student up for success, equipping them to reach their maximum potential. We keep this commitment by hiring the best teachers, placing students in technology-rich classrooms and integrating real-world experiences into our curriculum. Our commitment starts early with 3-year-olds attending pre-kindergarten classes and ends with high school students earning industry certifications and associate degrees.

It is the 12th largest school district in the DFW metroplex and 39th largest school district in the state of Texas.
