

April

4th Grade

Reading

This month we will be taking our MCA test. We will also start Unit 7, Transcontinental Railroad. We will be focusing on key details, main ideas, and text structures.

Math

This month we will work on unit 7. In this unit we will work on fractions and decimals again. We will do more work on comparing as well as adding and subtracting both fractions and decimals.

Writing

Access Testing is done. I am proud of the students. This unit we will be working on writing a news report.

Science/ Social Studies

This month, we will be discussing immigration and migration as we read why different cultures came to America.
