

Mount Greylock Regional School
Summer 2025 Extended Summer Learning / Credit Recovery
Grades 7-12

We want this summer school program to be a rewarding experience for your child. If you have any further questions, feel free to contact us below:

Jacob N. Schutz @ jschutz@mgrsd.org

Bridget Balawender @ bbalawender@mgrsd.org or 458-9582 x1250

Location:

Mount Greylock Regional School
1781 Cold Spring Road
Williamstown, MA 01267

Dates:

July 7-August 8
Session I: 8:00am-10:00am
Session II: 10:00am-12:00pm

Registration: Students wishing to register should drop off registration forms at the Counseling Office *no later than June 20th*

Tuition is free of charge for Mount Greylock students.

Students from other districts will be admitted on a first-come, first-served basis (dependent on available space). Tuition cost is \$200 per course. Payment (check or cash) is required at the time of registration. Checks should be made out to MGRS.

Attendance Policy: Students are expected to have 100% attendance in any credit-bearing course. Any student who misses more than one day of seat time or is tardy to class more than twice will not receive a grade or credit for the course, and the student may be dismissed from the program. Any time out of class for illness, bereavement, court, appointments, vacations, personal business, tardiness and misbehavior will be counted toward the one-day limit. The student will assume responsibility to make up the missed class work.

Transportation: Buses will be provided for Mount Greylock students attending Summer programming. Routes will be published after registrations are complete. *All registered students who need transportation will be picked up for an 8:00am arrival at school and will depart from school after 12:00pm dismissal.*

5-week Course Offering Schedule

Course Offering Schedule (July 7-August 8)	
Session I (8:00am-10:00am)	Edmentum Academic Skills
Session II (10:00am-12:00pm)	Edmentum Academic Skills

Edmentum™

Edmentum™ focuses on instruction that fills individualized knowledge gaps providing them with personalized learning experiences whereby students move at their own pace. Students' learning needs are addressed with an online experience filled with rich media, graphics and interactivity making credit recovery attainable and engaging.
