Shawnee Mission School District
RFP 25-004 – Pest Control Services
April 11, 2025

Addendum No. 2

The following response addresses question(s) submitted by vendor(s) on April 10, 2025; responses to the questions are indicated in **bold**. If you feel that a question has not been addressed, please contact Reed Beebe at purchasing@smsd.org as soon as possible.

1. Is the District currently on monthly or quarterly service? What does that service entail?

   The District currently has both monthly and quarterly service. The monthly and quarterly service deliverables are outlined in Attachment A of the RFP (see the "Monthly Services" and "Quarterly Services" sections on page 7). Additionally, as outlined in Attachment A in the "Weekly Services" section on page 7, the District would like the selected contractor to contact the District's designated representative on a weekly basis to discuss any pest sightings or signs that may need attention from the contractor.

2. How many call-backs has the District had to request in the last 12 months? What were these call-backs for?

   During the current school year, it appears that 74 work orders were generated to call the current vendor back out to a District site after a monthly service visit. Although the District has not conducted a thorough analysis of these work orders, the District's understanding is that most of these call-backs were for general pests like mice, roaches, ants, and gnats.
