

Appleton Youth Education Initiative
presents

HACKAPPLETON

Calling all students interested in computer science and technology! Take advantage of the wonderful opportunity to gain coding and problem solving experience - and win amazing prizes!

 9:30 am - 6:15 pm on May 17th

 Appleton West High School
610 N Badger Ave, Appleton, WI 54914

 Open and Free to all 9-12th Graders

Student creations will be reviewed by a panel of experienced judges and provided with valuable feedback on their projects. Students will also have a chance to engage with both local and international tech leaders through speakers.

Problem statement will be virtually released on May 16th, and coders will be able to start their projects at that time.
