TEXAN NEWS

Wimberley High School

MESSAGE FROM MR. WILKES

This morning, the sun rose again, reminding us all that life goes on. It was a tough loss for our girls in the State Championship match in Georgetown yesterday, but that does not affect how proud we are of these ladies and their coaches. They forged a path of success that has never been seen before in our soccer program, with hundreds of our students of all grades watching and now believing that they can do it too. This is what sets Wimberley apart from other schools. Our students always believe they can do it, in fact, they expect to succeed. This also makes losing much more difficult, but our kids gain invaluable lessons from the journey. Well done, Lady Texans Soccer, and congrats on an outstanding season.

Additionally, congrats are due to our UIL Academics and Speech and Debate teams, who won District by more than 300 points. Our Track athletes also performed well at the Area Track meet with many advancing to the Regional Meet next week, including our Boys 4x200 relay team, which broke the school record.

Finally, best of luck to our Texan Tennis. They will compete in the District Tournament next week, beginning on Monday. I look forward to hearing of their success.

Keep up the great work, and have a great weekend!.
Texan Pride!
