Bear Family,

As we head into Spring Break, I want to take a moment to wish all of our families a wonderful and relaxing week ahead. I hope our students are able to take a well-deserved break and unplug from school, spend quality time with friends and family, and recharge for the exciting and busy end-of-year stretch. Spring sports are in full swing (yes, that was baseball and softball pun...), and our teams are off to a fantastic start. When we return, we will dig (volleyball) right into a packed calendar, including NJSLA testing at the end of the month, AP Exams in early May, Prom, and of course, Graduation on June 25th. Let's keep the momentum going and finish the school year strong- Our seniors are going to dodge (lacrosse) senioritis!

Have a great day and as always... Go Bears!

Daily Attendance Class Attendance **Notify Office**

Under the Attendance Tab, there is a "Notify Office" button. Parents have the ability to mark their child out directly. We ask that you always include a brief reason why your child is absent. This would need to be completed by 7:45am the day of the absence. The image on the side shows where the "Notify Office" is located. You will still receive a phone call notifying you that your child is out of school.

You may only notify the attendance office about today and/or future dates.

### Career Fair

This week East Brunswick High School hosted a successful Career Fair featuring representatives from a wide range of fields. Students had the opportunity to explore careers in areas such as building and construction, cosmetology, commercial driving, and many more. As interest continues to grow among students in pursuing alternative pathways beyond college, the Counseling Department would like to share an exciting opportunity to attend the local Construction Industry Career Day.

This annual event highlights in-demand, well-paying careers within the building and trades industries. Students and parents are invited to attend on Tuesday, May 27th, from 3:00 PM to 10:00 PM at the New Jersey Convention and Expo Center in Edison.

We strongly encourage families to attend and explore the variety of opportunities available. This event is especially valuable for students who enjoy hands-on work, but it's a great experience for anyone exploring different career paths. You never know what might spark your child's interest.

**Relay for Life** ([To learn more](#)): We are hosting our annual Relay for Life on May 23rd. This was the event that I was introduced to the East Brunswick High School Community last year and it was amazing to see an entire building rally around such a great cause. ### Calendar Changes:

If we do not use our remaining one emergency closing day by Friday, May 23rd, then Tuesday, May 27th will be a non-school day for students. District offices will be open.

Governor Murphy rescheduled the June 2025 Primary Election Date from June 3rd to June 10th. The district has adjusted our school calendar as follows to accommodate this change.

**Tuesday, June 3rd** will now be a full day for all students with lunch served for students in grades K-12.

**Tuesday, June 10th** will now be a single session day for all students with lunch served in grades K-6.
