# MESSAGE FROM THE PRINCIPAL

---

Hello Polton Families,

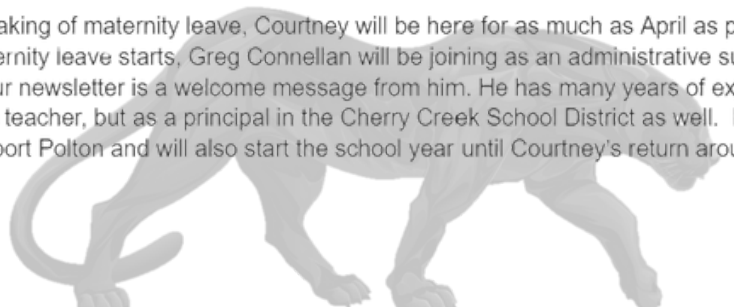

April 1, 2025

It was great to see so many families at Polton during parent-teacher conferences! And a huge thank you for supporting our Scholastic Book Fair! We hope you enjoyed the student artwork lining the halls and hearing about your child's growth. Last week, we also tried our first hybrid to mix an in-person/Zoom meeting for PTCO and we were happy to see so many of you join via Zoom. We do have a few PTCO positions open, and we really need parent help in order for us to continue the great work that our PTCO has done over the past few years. If you are interested in learning more about positions or ways you can support, please reach out to our PTCO president, Effie Ginsberg at the following email address: [poltonptco@gmail.com](mailto:poltonptco@gmail.com)

Starting next week, our 3rd, 4th, and 5th graders will begin their first CMAS tests also known as state testing. CMAS is one piece of data that contributes to all of the ongoing data we collect to support all students. Third, fourth, and fifth grade students will take English/Language Arts (ELA) and Math. Fifth grade students will also take Science. We want to ensure Polton's participation rates continue to reach the Meets Participation guidelines (95% or more of our students participate in testing). Federal law states that 95% of students need to take the required assessments, so our goal is that over 95% of students in grades 3-5 participate in the test so that we have accurate assessment data in order to identify next steps for our school community. We are in our second year of being at the performance level for our CMAS results which is the highest level a school can achieve. We still have room to grow within that level and we hope to do so this year!

It is important that students are prepared for CMAS. Please make sure your student is well-rested, has breakfast, and is at school on time. Breakfast is always available in Polton's cafeteria starting at 7:40 am. We really appreciate when appointments are scheduled outside of the CMAS testing times. If you are already aware of any reason why your child might miss CMAS, please reach out to your classroom teacher. To make sure we have enough time for testing, we do have to make some changes to our Integrated Arts schedule. Please see the attached CMAS schedule for testing times and schedule switches. **If you have any questions about CMAS, please feel free to reach out to Courtney Blume, Assistant Principal. Once Courtney goes on maternity leave, you may contact Katie Schell, our Instructional Coach, as she will take over CMAS.**

Speaking of maternity leave, Courtney will be here for as much as April as possible. Once her maternity leave starts, Greg Connellan will be joining as an administrative substitute. Attached in our newsletter is a welcome message from him. He has many years of experience, not only as a teacher, but as a principal in the Cherry Creek School District as well. He is excited to support Polton and will also start the school year until Courtney's return around Labor Day.

**Time to mark your calendars!** We will have our annual Field Day on Friday, May 16th. This day is so fun for our kids, and family support is always helpful. Our PE teacher, Mr. Rodgers, aka Mr. Gym Jim, is looking for volunteers. Please use the link below if you are interested in volunteering that day!

<https://www.signupgenius.com/go/5080E45AFAB22AAF94-55965286-field>

In addition, we will start our day at 8:30 with our **Incredible Inflatables Race**. As you may remember our community once again stepped up to raise close to \$30,000 this fall during our Den Dash. **SIMPLY INCREDIBLE!!!** Now it's time for our school to celebrate! You will see some of our beloved Polton teachers ready to race each other in an inflatable costume of their choice. We have some incredibly competitive staff members, so this is going to be highly entertaining!

Thank you for all that you do to support Polton!

## MEET THE GUEST ASSISTANT PRINCIPAL

### MR. GREG CONNELLAN

Hello Polton community!

My name is Greg Connellan. I have the pleasure of serving as your Assistant Principal until Ms. Blume returns. I am excited to have the opportunity to work alongside Ms. Lore and have great respect for her leadership. I look forward to getting to know you during my time at Polton.

As a retired educator in the Cherry Creek School District, I was fortunate to serve as teacher and administrator for over twenty-five years. In fact, my own kids went through our District, and both had great experiences during their time in school.

The values I strive to work for are integrity, honesty and kindness. I am here to support you and your children to the best of my ability. Please feel free to reach out to me with any questions or concerns you may have.

Thank you for being involved in the education and growth of your children while at our great school.

Go Panthers!!!  
Mr. Greg Connellan

# camp comfort

Dear Parent or Guardian,

While issues of grief and loss are hard for anyone to handle, they can be especially painful and confusing for children. Sharing with other children who are in similar situations and knowing that they are not alone can be very helpful. We invite your child to take part in a positive, healing experience with Camp Comfort.

Founded in 1995, Mount Evans Home Health Care & Hospice's bereavement camp has helped more than 2,000 grieving children ages 6 to 12 find a path through their grief. Camp Comfort will be offering two weekend long camps in the mountains and one day camp for three days in metro Denver this summer. Children learn ways to cope with their grief through workshops and activities, building skills to help them now and throughout their lives. Workshops are balanced with exciting recreational and creative activities, so that children feel free to have fun and just be kids.

Our hope is that an experience at Camp Comfort will assist your child in understanding their loss while having fun and finding support with other children who have lost a loved one.

With Hopes of Healing,  
The Camp Comfort Staff

Estimado padre o tutor,

Si bien los problemas de duelo y pérdida son difíciles de resolver para cualquiera, pueden ser especialmente dolorosos y confusos para los niños. Compartir con otros niños que están en situaciones similares, situaciones y saber que no están solos puede ser de mucha ayuda.

Invitamos a su hijo a participar en una experiencia positiva y curativa con Camp Comfort. Fundada en 1995, Mount Evans Home Health Care & Hospice, Camp Comfort ha ayudado a más de 2,000 niños en duelo de las edades de 6 a 12 años a encontrar un camino a través de su dolor. Camp Comfort ofrecerá dos campamentos de fin de semana en las montañas y un campamento de día para tres días en el área metropolitana de Denver este verano. Los niños aprenden maneras de afrontar su duelo a través de talleres y actividades, desarrollando habilidades para ayudarlos en el presente y durante toda su vida. Los talleres están equilibrados con actividades emocionantes, recreativas y creativas, para que los niños se sientan libres de divertirse y ser simplemente niños.

Nuestra esperanza es que una experiencia en Camp Comfort le ayudará a su hijo en la comprensión de su pérdida mientras se divierte y encuentra apoyo con otros niños que han perdido a un ser querido.

Con esperanzas de curación,  
El personal del campamento
