<p>The following corrections, changes, additions, deletions, revisions, and/or clarifications are hereby made a part of the contract documents. In case of conflicts between this addendum and previously issued documents, this addendum shall take precedence. The bidder must acknowledge receipt of this addendum in the space provided on Appendix #1. Failure to do so may subject the bidder to disqualification.</p> <p>Questions:</p> <p>1. Q: After reviewing your RFP specifications, I didn't see any mention to vehicles other than a school bus such as minivans, SUVs and sedans. Would we be able to submit a supplemental bid for minivans, SUVs and sedans only as a pay as you go type service supplementing your school bus operations when needed?</p> <p>A: The language in the RFP reflects the MSBSD's requirements. The MSBSD is not interested in a supplemental bid of this nature.</p> <p>2. Q: Can you provide the number of SPED routes and Reg Ed routes for each area?</p> <p>A: The projected routes are shown in Appendix 7, Routing Run Sheets.</p> <p>3. Q: Can you provide the current fleet type being used? Number of buses, type, and age for each area.</p> <p>A: Appendix 6, Statement of Work, Section 6, Equipment Specifications, reflects the fleet requirements of the current solicitation.</p> <p>4. Q: Is there a current driver shortage in these 2 areas?</p> <p>A: No.</p> <p>5. Q: Are the drivers in each area union? If so, can you provide which union?</p> <p>A: No, the drivers in Area II are not in a union.</p> <p>5. Q: Can you provide the current pay rate for the drivers in each area?</p> <p>A: The MSBSD does not set the specific pay rates for the contractor's employees. Please refer to Appendix 6, Statement of Work, section 8.7 for the MSBSD's requirements for rates of pay under this RFP.</p> <p style="text-align: center;">END OF ADDENDUM #1</p>
