**Attendance Matters**

The Stanislaus County Office of Education and all 25 school districts have embarked on a county-wide attendance initiative which emphasizes the importance of attending school daily.

# STUDENT SUPPORT SERVICES

Stanislaus County school campuses offer services to support physical and mental health, academic success, and college and career planning for students. Support is also available for students experiencing homelessness, substance abuse, and/or unemployment.

## On-campus services include:

- Mental Health Counseling
- Academic Counseling
- Career Navigation
- Student Support Advocacy
- Credentialed School Nurses
