Cell Phone/Smart Watch Policy

We understand that your student(s) may have a cell phone or smart watch for after school communication with a parent or guardian. We ask that all cell phones/smart watches stay in backpacks during the school day to allow your students to focus on their academics, until students are outside at the end of the day. If a student has their phone out or if they are wearing their watch during the school day, our staff will take the phone/watch until the end of the day or bring it to the front office. This is to prevent any videos or photos being taken during the school day or text messages being sent.
