Title I Family Survey

Every spring our district is required to solicit feedback regarding our Title I program. For this reason, we would appreciate it if you would take a few minutes to complete this year's Title I Family Survey. Your feedback will be used to help determine HOW our Family Engagement Funds will be utilized. The information on this survey also provides us a better understanding of your knowledge of our school's Title I school-wide program. Please complete this survey by May 30, so your feedback can be recorded. Thank you.

Title I - 1st Grade Event

Grade 1 families, our Title 1 Team would like to invite you to join them on the evening of April 22th, to celebrate National Poetry Month and the power of "targeted questioning" to support reading comprehension. The evening will be filled with various hands-on activities that align to the children's book, "Dear Earth...From Your Friends in Room 5." Invitations have been sent home and space is limited, so please RSVP by Wednesday, April 16th. We look forward to having you join the Title 1 team for this fun-filled event.

Personal Items

Parents and Guardians, our school policy is that students should not bring personal items (like toys, stuffed animals, etc) to school unless specifically requested by their teacher for a special occasion. Thank you for your support with this policy.
