Meeting Norms

- We will keep students as the primary focus of all discussions.
- We will be fully engaged, positive, and solution focused.
- We will allow one person to speak at a time.
- We will be respectful of one another in discussions about students and the families, the educators and the community that supports them.
- We will maintain student confidentiality by not names specific students or staff.
- We will listen to each other with respect.

Agenda

Keller ISD Alumni Spotlight

**LYNN
JAMESON**

KELLER HIGH SCHOOL
CLASS OF 1992

KELLER ISD
EXECUTIVE DIRECTOR OF
SPECIAL EDUCATION

Then: Keller High School, Class of 1992

Now: Special Education Department, Executive Director

Returning to work for Keller ISD is meaningful to me because of the District's pivotal role in shaping who I am. I'm proud of Keller ISD's long-standing legacy of excellence, and it feels rewarding to give back to the community that had such a significant impact on my education. My experience in the district left a lasting impression, and it has been fulfilling to contribute to its future success and help guide the next generation of students.
