Any additional information that would help families prove residency in this district?

All Groton residents must complete an initial registration with Groton Public Schools before registering with LEARN for the first time. In subsequent years, a LEARN residency verification is sufficient and re-registration is not required. The district requests that changes of address are re-verified at our office.

Any changes in LEARN schools will require re-registration. (ie from TFS to RMMS)

Please return responses and any additional paperwork to wjsonstrom@learn.k12.ct.us
