

The Mary Louis Academy: SY 25-26 Middle School Humanities Teacher

Mission and Background

Empowering Young Women Through Faith, Excellence, and Leadership

Located in Jamaica Estates, NY, The Mary Louis Academy is a Catholic college preparatory school for young women in Grades 6 through 12. Sponsored by the Sisters of St. Joseph of Brentwood, NY, our school is rooted in their charism of unity, reconciliation, and inclusive love that embraces all of creation.

We are committed to nurturing the whole person—spiritually, intellectually, socially, emotionally, and physically—through an environment shaped by Christian values and academic excellence. Our mission is to empower young women to recognize their unique gifts and develop the confidence and leadership skills needed to build a more just and compassionate society.

In September 2025, we proudly welcome students to our new Middle School, expanding our tradition of excellence to include Grades 6, 7, and 8. This ensures that more young women have earlier access to the Mary Louis experience—a journey rooted in faith, learning, and service.

As a single-gender school, we embrace our unique role in helping students appreciate their womanhood and cultivate their potential in a respectful, inclusive, and empowering setting. We promote cultural diversity, ecological stewardship, and the shared partnership between educators, parents, and guardians in guiding our students to make thoughtful life choices and lead lives of purpose and service.

At The Mary Louis Academy, each student is seen, known, and inspired to thrive—as a scholar, a servant, and a leader.

Overview

The ideal candidate will first and foremost be passionate about student growth as well as the teaching of both English Language Arts and social studies in a middle school setting and have a warm and engaging personality that can be used in developing meaningful relationships with each student. They will have mastery of educational pedagogy and a strong knowledge of content and pedagogy, but will also be strongly motivated by continued opportunities to grow and develop as an effective educator. We are looking for an experienced teacher leader who is comfortable working with both students and colleagues and who is intentional about their educational approach.
