Title

Georgia Student Technology Competition Champions

Requested Action

School Board Recognition of Georgia Student Technology Competition Champions

Summary Explanation and Background

Six Cherokee County School District students won statewide honors at the Georgia Student Technology Competition!

The annual contest invites students in grades 3-12 to create projects in a range of real-world technology industry categories such as mobile apps, robotics, and video production. Thirty-eight CCSD students earned the opportunity to compete at the state level by winning first place at the regional competition.

Congratulations to the winners and their teachers and thank you to the School Board for its continued investment in STEM learning!
