

## SBCUSD Opioid Action Plan

<b>Purpose</b>	In light of the recent rise in Fentanyl overdoses, SBCUSD is working to ensure we have the necessary staff trained and supplies on hand to support this potentially life saving process. Additionally, we want to ensure all students in middle school and high schools across the district receive our prevention/awareness lesson to ensure they are informed of fentanyl and the dangers of its usage.
<b>Prevention &amp; Awareness Building:</b> Provide all middle and high school students with a Fentanyl prevention lesson, including: what Fentanyl may look like; where it can be found; the dangers of its usage; and what to look for in peers that may be suffering from an opioid overdose.	
<b>Fentanyl Prevention Lesson</b>	The SWSS staff have prepared the <a href="#">Fentanyl Prevention and Awareness Building Lesson</a> for staff to utilize. All middle and high school students will receive this lesson before Thanksgiving Break. The resources includes a lesson plan and a presentation to guide the full class lesson, including: <ul style="list-style-type: none"> <li>• A student level video</li> <li>• Processing discussion questions facilitated in a Community Building Circle or class discussion</li> </ul>
<b>Community Town Hall</b>	<b>Monday, November 7th</b> - SBCUSD staff along with SB County Sheriff and Mr. Steve Flison will provide an informational session to the SBCUSD community. <a href="#">More details here</a>
<b>Community Resources</b>	The SWSS department has included the Fentanyl resources discussed during the Nov. 7th Town Hall to the <a href="#">SBCUSD Wellness Resource website</a> for district families; <a href="#">Action Plan Summary for Families</a>
<b>Intervention &amp; Cessation Supports:</b> Provided resources and training to counselors regarding intervention and cessation supports	
<b>Intervention</b>	SBCUSD School Counselors have received resources and training through SWSS team and SB County staff regarding small group intervention resources to support students experimenting with Fentanyl, as well as tobacco, vaping and alcohol.
<b>Cessation and Substance Use Supports</b>	SBCUSD has identified community partners that support people with substance use. These resources can be accessed through School Counselor referral, including: <ul style="list-style-type: none"> <li>• Inland Behavioral &amp; Health Services</li> <li>• Inland Valley Recovery Services</li> </ul> Additional Community resources include: <ul style="list-style-type: none"> <li>• SB County <a href="#">Substance Use Disorder</a> (website) and Hotline 800-968-2636</li> </ul>
<b>Emergency Response:</b> SBCUSD has identified key staff members to be trained to identify a possible opioid overdose and how to administer Naloxone (Narcan) nasal spray to reverse the effects of the opioid overdose.
