

# Class of 2025

## Purple Envelope Program

Attention Senior Parents, Guardians, Family & Friends:

It's hard to believe that in a few short months, the children you once knew to run through your houses, run, ride bikes, or skateboard down the street, play for hours on the playground, and fill your schedules with extracurricular activities, will be graduating and preparing for the next chapter of their lives. Graduation is a big moment for the seniors and their families, so we would like to give you the opportunity to share in this happy time of their lives!

Parents, grandparents, aunts, uncles, cousins, teachers, clergy and friends may send your senior student a special note of congratulations on his or her upcoming graduation, wishing the senior well in his/her next phase of life (work, college, military, career) or reminiscing on fond memories! We will carefully keep these cards and notes for each student and distribute them to the seniors during graduation. Every student will receive a large **PURPLE ENVELOPE** containing these messages of well-wishes. What a great way to express your warm thoughts to individual members of the 2025 Senior Class!

### Instructions for **PURPLE ENVELOPE** letter and cards
