Complete the Dream The Indoor Athletic Complex

**Indoor Athletic Complex Fundraising Goal: \$31.5 Million
Amount Raised to Date: \$21.5 Million**

To respond to the needs of our students, DePaul College Prep must construct our first on-campus, multi-sport, indoor athletic complex.

This final phase of the One Dream, All In capital campaign includes the construction of the indoor athletic complex, comprised of a multi-sport field house, competition gym, indoor track, strength and weight training facility, wrestling room, cardio equipment, and locker rooms, and a place for the DePaul Prep community to come together for pep rallies, assemblies, dances and all school liturgies.

With your help we will **Complete the Dream.**

FIELD HOUSE

On-Campus Indoor Athletic Complex: Why Now?

- 82% of DePaul Prep's students are involved in organized athletics across 29 different sports
- 33% play more than one sport
- DePaul Prep rents multiple off-campus facilities to support athletic practices, athletic competitions, and student PE and Health classes for our 1,348 students
- DePaul Prep competes with other teams and rents for court and practice time at off-campus facilities
- Without an on campus facility, team practices often occur late into the evening which is disruptive to the family lives of students and coaches
- DePaul Prep is unable to host multiple levels of practices and competition simultaneously
- DePaul Prep lacks the facilities to be a strong community partner to middle school youth leagues and area elementary schools
- Students, coaches and equipment are forced to be bused off-campus to rented facilities which reduces optimal practice and playing times
- Daily practices off-campus make training inefficient and less effective due to time and energy spent on travel and set up
- There are no on-campus locker rooms for any students or student athletes
- There is no on-campus space large enough for student assemblies, dances or all school liturgies

An on-campus indoor athletic complex will promote student growth, school spirit, faith life, and collegiality.
