Old Business:

Plan to bring Texas Imaging to our district next year for our staff members.

Aim for Success- 5th grade program was well received by staff, parents and students.

Comments made- tastefully presented the information.

Students were engaged and interactive with the presenter.

Fact vs Fiction and getting the correct information to our students.

Decided to ask cabinet to make this an annual presentation to our 5th grade boys and girls.

Discussed making other Aim for Success programs available at younger age. Moving the 11th grade legal issues to the 10 graders.
