SHAC Minutes

November 5, 2019

Attendees: Dr. Piantini, Sue Brown, Carmalisa Maples, Cassie Street, Eve Spearman, Linda Dunn, Candace Ketchum, Lynn Davis, Jen Spoor, Sherelle Shaw, Deb Harner

Lori Kuykendall with Aim for Success gave a presentation on Next Up. This is a program for 5th graders.   Next up is an interactive program with information on hygiene, puberty, and changes that occur physically, emotionally, and socially.

This is a free program for this year only due to grant money available to Aim for Success.

Focus on Success is another Aim for Success program in which Ms. Kuykendall gave a presentation. This program focuses on technology, sexting, pornography, and healthy relationships.

Programs that the district has now:

Puberty video: 4th grade girls

Puberty video: 5th grade boys and girls.

Aim for Success: 6th grade

Choosing the Best: 7th, 9th

Freedom to Succeed, (Aim for Success): 11th grade

Need to decide on Next Up program by the end of December for it to be free this year. If we decided to add other new programs, they would not take place until the next school year. Supplies are already ordered for this year's programs.

Cassie made the motion to recommend the Next Up program for this year. Candace seconded the motion. All voted in favor of the recommendation. SHAC will recommend the program to the cabinet for discussion.

SHAC members agreed to table the discussion of the 6-12 programs from Aim to Success for the next meeting.

Nominations for offices.

President: Eve Spearman

Vice President: Cassie Street

Secretary: Candace Ketchum

Rebecca made the motion to accept the nominations. Carmalise seconded the motion.

The 2020-2021 SHAC will need to have a counselor as a member of the council. We will check with Andrea Jones and the counselors to see who would be interested in becoming a member.

SHAC still needs to have all schools represented on the council.

Facebook Live was an idea for getting more people to attend the Parent FAQs classes offered.

Meeting Adjourned @ 7:32
