GCN Requirements

Dear Staff,

Below are the directions for logging in to GCN (Global Compliance Network) so that you may complete the state mandated compliance tutorials. If you have already started your training please login to your GCN to make sure that you don't have any tutorials pending.

All required tutorials have been updated for each employee type to reflect state mandates. Upon logging in, you will be able to see the required tutorials for the school year.

Should you have any questions or concerns, please contact me.

Thank you,

Yanira Rivera, HR Clerk
708-780-2800 ext: 5727

INSTRUCTIONS: J. Sterling Morton High School District 201

1) Access the Login Screen

Enter **www.gcntraining.com** into your browser's address bar

When the website loads, Click

▶▶▶ LOGIN TO VIEW TRAINING

2) Enter your Organization ID

44955j

The Organization ID is a code unique to each organization.

3) The User ID

If you do NOT have a User ID,

click **I was not given a User ID**

and follow the prompts to create one.

If no account is found, check with your HR Department or Supervisor to see if there is an issue with your account/name. -- it may be a difference of "Smith-Jones" vs "Smith Jones" or "VanHoff" vs "Van Hoff".

If you have created a User ID already, enter your User ID and click Submit

If you've forgotten your User ID, click "I Don't Know..." below the User ID field.

4) The Tutorial Listing Page

On the Tutorial Listing page you'll see a list of tutorials your organization has either required or has made available to you -- if the list does not specifically state "Required", it's possible that not all on the list are required (your organization may provide a list for you in this case).

Take notice of any articles in the News & Information area to the right of the page.

5) Viewing Tutorials

To view a tutorial, click **START** to the left of any title in the list. Your progress is saved after each slide completes, so you may complete a tutorial in several sessions.

If you have trouble viewing a tutorial or slide, use the orange buttons below the tutorial viewer.
