

Discover, Design & Compete!

Get ready for an exciting week of hands-on STEM exploration at our **2025 STEM Summer Camp!** This camp is designed for middle and high school students who are curious about technology, engineering and coding. Whether you're a beginner or already building your own gadgets, you'll dive into fun, interactive projects (like solving cybersecurity puzzles, programming with Raspberry Pi and learning to solder). Come build your skills, make new friends and compete for cool prizes!

Camp Details

Monday - Friday, July 28 - August 1

9 a.m. - 4:30 p.m., Great Falls College Campus

Who is Eligible?

The camp is FREE and open to middle and high school students. Thirty campers will be selected to attend this free and all-inclusive week-long event. Lunch will be provided. Parents/guardians are welcome to attend info sessions and see projects in action!

Questions?

Contact **Continuing Education & Training** at (406) 268-3734 or cet@gfcmsu.edu.

What You'll Do:

- ✓ **Compete in Capture the Flag (CTF) cybersecurity challenges**
- ✓ **Learn soldering techniques and build circuits**
- ✓ **Explore programming projects**
- ✓ **Dive into tech with Raspberry Pi activities**
- ✓ **Enter the camp competition - winners receive a Raspberry Pi 5!**
